Dear Sir:

In regards to ball player
Lawrence Hobbs will
arrive early Friday am he
is leaving here tomorrow nite
Thursday. I regret I could not
get you over telephone but due
to heavy war Communications.

I have used Hobbs for
several summers playing the
best City Clubs in and out of the
State. He and James Clam have
the making of good players but both
need plenty of work to be at there
best. He was an infielder but
converted to the outfield of which
he is best due to his hitting power
He is yours if you can use

him.

I would like very much
to hear from you often as to
their progress. Maybe I will
have some more players to offer

yours truly
